Beginning Stained Glass Class

The Beginner's Stained Glass class is the follow-on class to our Intro to Stained Glass class and is perfect for those that want to improve their skills.

- Classes meet for 4-days (or evenings), 3-hours each. Dates and times are flexible to meet your needs.
- The cost for instruction is \$350 (\$300 if you have completed our intro class in the past 12 months) and includes the pattern you select (there are about a dozen) and use of our tools, equipment, and consumable materials (foil, flux, and solder).
- Glass is extra and can range from \$50 to \$200 depending on your selection which must be made and paid for at least one-week prior to class. What is left-over after creating your project is yours to take home. You may wish to bring a shoe box size container for your extra/scrap glass.
- Class sizes are limited and a \$100 deposit is required one week prior to class and the remaining balance the day of class.
 - Cancellation notices must be made at least 48-hours prior to class for a full refund. Note: purchased glass is non-refundable.
- For your safety please wear closed-toed shoes, pull back long hair, and keep your drinks in a closed/covered container.
